### EXPERIENCE

#### L2

*June 2017–present*  
*New York, NY*

#### Interactive Designer

I'm designing data visualizations at a business intelligence research firm.

Designing exploratory and explanatory data visualizations in collaboration with stakeholders including researchers, developers, and other designers.

#### Rice Creative

*June–September 2016*  
*Ho Chi Minh City, Vietnam*

#### Design Intern

I worked on visual identity for a gala held in Ho Chi Minh City.

Developed and implemented an identity for a black-tie event hosted by a large non-profit organization. Worked with one other designer under the direction of two creative directors.

#### AIGA Changemaker Series

*May–September 2016*  
*Remote*

#### Designer

I volunteered remotely to help a non-profit organization refine their brand and outreach strategy.

Worked with a team of designers and strategists to help a non-profit better communicate their mission to existing and potential donors. Deliverables included refined brand guidelines, brand book, brochure, and microsite wireframe/design.

### EDUCATION

#### University of Washington
